Ticket Validations – Online & Instant Games

Effective May 4th terminals will prompt a confirmation for validations of \$50 and above for both instant games and online games.

If the amount won is \$50 or greater the terminal will prompt:

Can you pay this ticket?

Yes – the ticket will be validated, pay the player and keep the ticket for your records. The ticket must be defaced and should be retained until you reconcile your lottery sales/cashes for the day.

No – the validation process is terminated. Return the ticket to ticket to the player.
